### 2 Identify Top Score Improvements

- C) Compare the 'Current' scores against 'Potential' scores for each of the bureaus.

**Note:** Will also provide co-borrower's potential credit score improvement when available in the credit report.

For maximum results, you may need to select scores on 2 or more bureaus to gain best mid-score.

**Note:** New potential mid-score may be on a different bureau than current mid-score.

**C**
