Consent Based SSN Verification: Social Security Administration

The information submitted for verification **matches** the SSA's records

The Social Security Administration is the sole authoritative source for verifying or confirming name, with date of birth, Social Security Number or date SSN was issued.

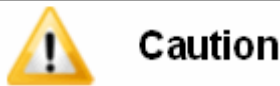

Death Master List Check: Social Security Administration

The Social Security Administration's record indicate this name and SSN combination **does not appear** on the Death Master list.

The Social Security Administration is the sole authoritative source for verifying or confirming name, with date of birth, Social Security Number or date SSN was issued.

OFAC Check: Office of Foreign Asset Control

The applicant's name matches a name(s) listed on the Office of Foreign Assets Control list of Specially Designated nationals.

Note: The U.S. Treasury Department's Office of Foreign Asset Control's database is "name match" and "date of birth match" only. For common name combination matches, secondary verification efforts are recommended.

Social Security Usage and Issuance

None Reported

Inquiry counts are only those reported for the time periods shown for the given Social Security Number. Other inquiries may not have been reported, or were reported under other similar SSN combinations

Other Reported Names/AKAs: Bureau Repository

None Reported

Disclaimer and Warranty of Accuracy

This SSN Verification Plus Report contains source data from the Social Security Administration, Experian and the Office of Foreign Assets Control (OFAC). If the borrower resides in the state of Rhode Island, the Social Security Trace information from Experian may be returned in Graham-Leach-Bliley (GLB) format instead of an FCRA format. The GLB format excludes employment information. Informative Research makes no representation or warranty as to the accuracy or completeness of this information. This product is intended for the specific commercial use of Informative Research's customers and may not be appropriate for consumer disclosure.
