

CreditXpert[®] Solutions Suite

Turn Potential into Dollars
By Improving the Score

Don't lose any opportunities and utilize our CreditXpert[®] Solutions Suite. Offered with IR's SoftQual and TriMerge credit reports, it's an easy way to qualify more clients and help increase their score so you can get more loans through the door.

More Approvals

Get more qualified borrowers to send through the approval process

Increase Score

Easily see how to raise your client's score so you can qualify them for the loan

Build Trust

Nurture the relationship with your client by helping them get their new dream home

CREDIT ASSURE[™]

Automatically scans the credit report and shows you the increased score that your client could potentially achieve

WAYFINDER[™]

Determines the best actions to take so you and your client know how to increase their credit score

WHAT IF SIMULATOR[™]

Before taking action, easily plug in custom or predefined scenarios to predict how the score would change
