Red Flags Risk Platform

Avoid Fraud and Save Time While Staying Compliant

Prevent identity fraud using predictive analysis -all while staying completely compliant. Ordered with one of our credit reports, IR's Red Flags Risk Platform lets you leverage bureau fraud alerts so you fulfill the FACTA Red Flags requirements.

Save Time

Streamline underwriting by getting rid of false positive, helping you focus on legitimate borrowers

Custom Reports

Customize your report's risk scoring to see the details you need right away

Reduce Loss

Save your prospective loans by preventing identity fraud with enhanced fraud alerts

STAY COMPLIANT

Specifically designed solution to help you meet the FACTA Red Flags requirements

ORGANIZED ALERTS

All alerts are grouped into data-specific sections and then ranked by severity, so you can quickly find the details you need

QUICK ASSESSMENT

With each borrower rated on a simple 5-level risk scale, quickly identify which accounts are problematic

TAKE ACTION

With "Suggested Actions," we offer proven risk mitigation procedures specific to each alert in you report
