

# Trended Credit Data

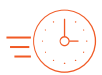

## Save Time and Avoid Hassle with Custom Viewing

Don't get overwhelmed by trended credit data and let it slow down the underwriting process! Customize your viewing options so you can save time, money, and help qualified clients get the home of their dreams all at once.

### Custom Viewing

Choose how you see Trended Credit Data with our 3 different display options

### Save Time

Avoid process slowdowns with full customization on the details you need

### Less Risk

With a thorough credit report, improve the accuracy of DU's credit risk assessment

### TREND ON DEMAND™

Maintains the standard format you're used to without the Trended Credit Data clutter - and you can still choose to see it

### TREND SELECT™

Only shows 24 months of historic Trended Credit Data for each revolving tradeline, with the option to view it on all

### TREND TOTAL™

Neatly displays 24 months of historic Trended Credit Data for all tradelines
